

The objectives for the UAF Ice Allocation Guidelines are:

1. To maximize the utilization of the Patty Ice Arena while balancing the needs of various ice users with those of the entire ice skating community.
2. To operate the ice services and facilities in a equitable, cost-in

UAF

1st – Renewal: Existing user requests are reviewed and approved annually based on the Ice Allocation Guidelines and the previous year's usage and cancellations.

2nd – Increased Ice: Existing users' requests for increased ice time will be considered if ice time is available.

3rd – New: Requests are only considered if ice is available and demand can be demonstrated.

Tournaments, Camps, and Special Event Reservations

Ice allocation will be at the discretion of Patty Ice Management. The decision will be based on the impact the reservation will have on all ice users and the community in general. additional tournament fees may apply

Cancellations and Refunds

Non-blocked ice rentals are required to give a 10-day notice in the event of a cancellation in order to receive a refund or not be invoiced.

UAF Rink manager reserves the right to cancel programs of user groups for various priorities, including but not limited to play-off schedules, tournament changes, city-wide events, and building maintenance.
