NOTE Cross-listing requires approval of both departments and deans involved. Add lines at end of form for additional required signatures.

<b>5. To be STACKED?*</b> YES/NO	No	If yes, Dept.		Course #	
-------------------------------------	----	---------------	--	----------	--

**How will the two course levels differ from each other? How will each be taught at the appropriate level?.**

--

\* Use only one Format 1 form for the stacked course (not one for each level of the course!) and attach syllabi. Stacked course applications are reviewed by the (Undergraduate) Curricular Review Committee and by the Graduate Academic and Advising Committee. Creating two different syllabi (undergraduate and graduate versions) will help emphasize the different qualities of what are supposed to be two different courses. The committees will determine: 1) whether the two versions are sufficiently different (i.e. is there undergraduate and graduate level content being offered); 2) are undergraduates being overtaxed?; 3) are graduate students being undertaxed? In this context, the committees are looking out for the interests of the students taking the course. Typically, if either committee has qualms, they both do.
